*Fill out a Course Substitution form available from the Economics Department to request that these IEMS courses substitute for the corresponding Economics courses. This is a requirement of the Economics Department and WCAS, not McCormick or IEMS.

**Only one from IE 304, 325, or 373 can double-count towards the Econ major as a core course (IE 304/Econ 281) or a 300-level Econ elective (IE 325/Econ 3xx, IE 373/Econ 3xx) and as an IEMS technical elective.

#Though IEMS 303 can count as Stats 210, Stats 210 will not count as IEMS 303

Grade Requirement: All core, elective, and related courses used toward the Economics major must be taken for a letter grade (not P/N) and must be passed with a grade of C- or higher.
